Description: Lightly scaled geometric elements form expansive intersecting or linear constructions of modern minimalism in a variety of configurations with a range of available luminaires. Crisp rectilinear bars support minimal tubular elements with luminous trims, extensions, or shaded reflectors for general and directed lighting functionality. The Systema Staccato Linear Pendant includes Drum Trims. [Alternate trims](#) can be ordered separately. [Shades](#) are not included and may be ordered as add-on accessories, which are easy to install.
