

WALL COLLECTION

Akova Wall LED

DESCRIPTION

Inspired by mid-century design, the Akova LED wall sconce light by Sean Lavin for Tech Lighting elevates the simple sphere into an elegant contemporary statement. Distinctly divided into three unified regions, each fixture features a metal housing available in two on-trend finishes that is briefly separated from an incredibly smooth acrylic diffuser by a complementary decorative metal band. At 7" in diameter, this wall sconce light has a distinct presence in the spaces it illuminates and can be used in combination with coordinating Akova Flush Mount and Pendants as accent lighting within a contemporary kitchen or dining room. Includes 14 watt, 555 delivered lumen, 2700K or 3000K LED module. Dimmable with low-voltage electronic or triac dimmer.

INSTALLATION

This product can mount to either a 4" square electrical box with round plaster ring or an octagonal electrical box (not included).

WEIGHT

6-6.5lb / 2.72-2.95kg ±

aged brass /
