

LINE - VOLTAGE PENDANTS / SUSPENSION

Manette Grande Pendant LED

DESCRIPTION

The Manette Grande pendant light by Sean Lavin for Tech Lighting is an elevated version of the classic cylinder pendant. With its simple cylindrical design and added sleek metal bands, the Manette Grande exudes style and simplicity. This hand-blown pendant is available in multiple color options and hardware finishes along with your choice of energy efficient LED lamps. Due to its larger size, the Manette Grande is ideal for kitchen island task lighting, dining room lighting and home office lighting applications. LED light sources fire simultaneously up and down to evenly illuminate the glass while contributing both direct and indirect illumination. Includes 18 watt, 925 delivered lumen (725 lumens down/200 lumens up) LED modules. Dimmable with most LED compatible ELV and TRIAC dimmers. Ships with twelve feet of field cuttable cable. Canopy matches finish selection. Antique Bronze includes bronze cable. Black and Satin Nickel includes satin cable.
