

Milan 24 Bath

LED ADA

DESCRIPTION

The Milan bath bar by Tech Lighting is a modern rectilinear bath bar that features a clean and crisp design. The Milan is defined by a white acrylic inner shade enhanced by the crystalline dimensionality of an outer shade with beautiful opal etched glass. A discreet metal band further enhances the simple elegance of this bath bar. The Milan is available in on-trend finishes, with each finish further enriching its contemporary style. The Milan bath bar ships with energy efficient integrated LED lamping, all lamping options are fully dimmable to create the desired ambiance in your special space. Includes 20 watt, 1629 delivered lumen, 3000K LED module. Dimmable with low-voltage electronic dimmer. ADA compliant.

INSTALLATION

This product can mount to either a 4" square electrical box with round plaster ring or an octagonal electrical box (not included).
