

Mini Joni Pendant LED

DESCRIPTION

The Mini Joni Low-Voltage Pendant by Sean Lavin for Tech Lighting features an integrated LED lamp suspended within a conical shade and creates a uniquely contemporary smaller-scale pendant. For heightened visual interest, Mini Joni is designed with two-tone finish options. Offered in three stylish finishes, Nightshade Black, Satin Nickel and Natural Brass which will patina over time. At 5.5" in diameter, the Mini Joni Pendant is a great fixture to install in multiples and adds a contemporary statement to your kitchen, living room, hallway and bedroom. Low-Voltage Pendants complement our Tech Lighting MonoRail Track System. Complete the look with the larger scale Joni Pendants, Wall Sconce and Flush Mount. Lamping options are compatible with most dimmers. Refer to the Dimming Chart for more information. Includes 12 volt 6.2 watt 410.5 delivered lumen, 3000K, 90 CRI, LED module. Dimmable with low-voltage or magnetic dimmer (based on transformer). Includes 6 feet of field-cutable cable. Matte Black finish supplied with bronze cable. Brass and Satin Nickel finish supplied with satin cable

INSTALLATION

Socket terminates with FreeJack male connector, which may be installed into a system connector. Elements ordered with a system prefix include a connector for that system.

WEIGHT

1.5-1.5lb / 0.68-0.68kg ±

matte black

natural brass

satin nickel
