

Mini Nyra Pendant LED

DESCRIPTION

Mini Nyra Pendant by Sean Lavin for Tech Lighting is a stunning collection inspired by the geometric nature of a flower bud. Featuring light guide LED technology, Nyra has beautiful acrylic LED petals producing an ample amount of general illumination. Offered in two modern finishes, Plated Brass and Nightshade Black, Nyra is designed to be installed as a single Pendant or in multiples to emulate a unique bouquet of flowers. For a coordinating look, the Nyra Collection is also available in Chandeliers and a generously sized Linear Suspensions. Low-Voltage pendants are great solution as individual pendants and complement our Tech Lighting MonoRail Track System. Includes 12 volt 26.3 watt 1668 delivered lumen, 3000K, 90 CRI, LED module. Dimmable with low-voltage or magnetic dimmer (based on transformer). Includes 6 feet of field-cuttable cable. Nightshade black supplied with bronze cable. Plated brass supplied with satin cable.

INSTALLATION

Socket terminates with FreeJack male connector, which may be installed into a system connector. Elements ordered with a system prefix include a connector for that system.

WEIGHT

4-4lb / 1.81-1.81kg ±

nightshade black plated brass
