

Mini Signal Pendant

DESCRIPTION

The Mini-Signal Pendant light by Tech Lighting is a pleasant nod to the vintage automobile styling of the 1940s. The rubberized spun metal shade creates a smooth finished look while the contemporary metallic paint finishes offer a sophisticated modern-day design touch when viewed from below. Mini-Signal is available in two exterior finishes and four interior paint finishes making it highly adaptable to a wide range of interior spaces. Scaling at 7.2" in length and 4.1" in width the Mini-Signal is modest in size making it ideal for clustering, task lighting, or even children's room lighting. Rounding out this vintage inspired light collection is the Signal Grande and Signal Pendant, simply search for Mini-Signal to find its closest relatives. Available lamping options include energy efficient LED and no-lamp. all lamping options, with the exception of no-lamp, are fully-dimmable to create the desired ambiance in your special space. Rated for (1) 50w max, Halogen MR16 lamp or LED 6.5 watt low-voltage GU5.3 base 90 CRI 3000K LED MR16 lamp and 6' of field-cuttable suspension cable. For use with 24 volt transformer, add suffix '-24' to item number. (LED lamp option is not compatible with 24 volt transformers). Works with SORAA.
