

# Orbet 13-Light Pendant LED

## DESCRIPTION

The Orbet 13-Light Line-Voltage Pendant by Sean Lavin for Tech Lighting is inspired by the classic pearl with perfectly stacked milk glass orbs. LED illumination through milk-glass provides a soft diffused aesthetic and each orb is accented by a thin contrasting metal band. This fixture is the perfect design for hanging individually or clustering in multiples for a dramatic effect. Includes 18.9 watts, 1196 total delivered lumens, 90 CRI 2700K LED modules. Dimmable with most LED compatible ELV and TRIAC dimmers. Ships with 12 feet of field-cuttable matte black cord. 120V-277V
