

Peak Outdoor

LED T20

DESCRIPTION

With its highly pitched roofline, the modern lighting design of the Peak outdoor wall sconce light by Tech Lighting is reminiscent of a clapboard shingle. The angular LED downlight gently grazes the surface of the extended back plate. Cleverly hidden hardware ensures a clean look. The dimmable outdoor lighting fixture is also wet-rated to withstand rain or snow. Perfect for front door outdoor lights or the back of a home as back porch lights, Peak is available in either a Bronze or Graphite finish. Its dimensions are 13" high, 5" wide with an extension of only 4.3", making it also ADA compliant. High performance, energy efficient integrated LED light source with warm color dimming from 3,000K-2,200K. Includes (1) 14.5 watt 295 delivered lumens Warm Color Dimming 90 CRI 3000K-2200K LED module. 120v
