

Spur Ceiling LED

DESCRIPTION

The Spur ceiling mount by Sean Lavin for Tech Lighting is a smaller rendition of the grand chandelier. Three arms extend from the ceiling with clusters of five frosted glass spurs illuminated by a compact, diffused LED light source. Offered with energy efficient integrated LED in three distinct finishes, the Spur Ceiling Mount is a design-forward solution to your dining room, living room, bedroom and hallway. Complete your modern look with the Mara wall sconce, pendant and chandelier for full room coordination. Lamping options are compatible with most dimmers. Refer to Dimming Chart for more information. Includes 120-277 volt universal 42.7 watts, 3001.4 total delivered lumens, 2700K LED module. Dimmable with most LED compatible 0-10V dimmers. Ceiling mount only.

INSTALLATION

This product can mount to either a 4" square electrical box with round plaster ring or an octagonal electrical box (not included).

WEIGHT

9.5-9.5lb / 4.31-4.31kg ±
