LORA WEP LIGHT COLLECTION

Description

From the deep South of the Western Hemisphere each WEP Light (Wood Ecological Project) was designed with an individual spirit of the Andes, glacial lakes and Pampas grassland of Argentina. A two-sided wood veneer section is fused with a malleable center panel for strength and flexibility to create a work of art in a variety of style and size. A plethora of colors for interior and exterior of the shade are offered. Consult factory for optional assembly.
