For over 70 years, Whitehall has been crafting personalized name and address plaques to provide a distinctive finishing touch to millions of homes. Renowned as the world’s largest manufacturer of personalized name and address plaques, Whitehall’s reputation for quality and reliability is unsurpassed.

Few products can add as much value to the curb appeal of your home as a Whitehall Personalized Plaque. Each plaque is hand-crafted in the USA from rust-free, recycled aluminum. Paints have been specially formulated and weather-tested to withstand the harshest elements, and many Whitehall address plaques are designed to provide maximum visibility to meet local “911” emergency standards.

When selecting your Whitehall Plaque, it is important to consider a few key factors:

**Personalization:**
- Do you need a street name as well as an address number?
- Do you want your family name to appear on the plaque?
- If this plaque is your only address marker, it’s a good idea to check local 911 codes for proper number sizes.
- Since each personalization is different, Whitehall may select an alternate character size to optimize the appearance of your plaque.

**Size & Location:**
- Estate, standard, and petite sizes are available in wall or lawn mount options to accommodate any space.

**Style & Color:**
- What design, shape, and color best complements your home?

Use the catalog to find plaques that will match your needs. The book is divided into Traditional, Classic, Artisan, Reflective, and Illuminated categories. Each category then is further defined by plaque styles, color options, sizes, number of lines, size of personalization, and mounting options (wall or lawn). Your retail professional will be happy to assist you with plaque selection and writing your order.

**Traditional Plaques** (Pages 4-31, 37): Styles include architectural, decorative, oval, vertical, specialty, entryway, and memorials (Page 37). Two-sided Hanging Signs and Mailbox signs also fall within the traditional plaque category (Pages 40-43).

**Classic Plaques** (Pages 32-33): This exciting category boasts rich designs and 3-dimensional construction with high-relief numbers.

**Artisan Plaques** (Pages 34-36): New plaques feature trend-setting styles with naturalistic material options. Styles include carved stone and metal.

**Solar Lamp, Nite Bright Richfield & DoSign-it** (Pages 38-39): New solar lighting and Do-It-Yourself Address Plaques for every outdoor application.

**Reflective/Illuminated Markers** (Pages 44-47): These innovative plaques provide outstanding visibility and safety during the day and evening hours.

**Pricing:** All prices in this catalog are effective June 1, 2012. Prices are shown as suggested retail. Retailer discount can be found in our terms and conditions sheet. Prices are subject to change without notice.
Standard plaques are perfectly suited for the average size home. In addition to wall mount, many styles are available with a lawn mounting option and come with two 18” lawn stakes. As shown on left.

Petite plaques are ideal for smaller wall areas or door applications.

Estate plaques are proportioned for larger homes and increased visibility across expansive yards. In addition to wall mount versions, many styles are available with a lawn mounting option and come with two 18” lawn stakes for convenient set up. As shown on right.

The Whitehall Personalized Collection offers most name and address plaques in estate, standard, and petite sizes — with either wall or lawn mounting options.

Crafted from recycled materials since 1941!

Being environmentally conscious is not a new concept at Whitehall Products. Since 1941, our products have been handcrafted from recycled materials – primarily aluminum. Through the years we have maintained highly efficient production processes that minimize the use of energy and the generation of post-production waste.

Most manufacturers would define their business in terms of converting raw materials to finished goods. At Whitehall Products, we recycle materials from one use to another; Yesterday, Today, and Tomorrow.
