

INCANDESCENT FLOODS

A wide selection of Incandescent Floods makes it easy to find the one for your job.

Molded, high temperature silicone gasket

Threaded, gasketed glass lens for durable weatherproofing and easy relamping

EZ Grip locknut matches fixture finish and can be adjusted with fingers, pliers or a screwdriver

Rugged heavy sand die cast aluminum housing with durable powder coating

Sockets have all copper current carrying components

Fully adjustable swivel with sure-grip locks

Mounting arms have 1/2" threads

Lamps offer a variety of beam spread choices. See page 122

VR300F

Extra heavy duty enclosed and gasketed sand cast aluminum floodlight for rugged, dirty or high moisture locations. Takes PAR38 or R40 lamps, 300 watts max. (not supplied) Epoxy powder coating.

Finish: Silver Gray
 Verde Green

RAB weatherproof floodlights are a favorite choice for lighting flags and monuments because of their low cost and classic good looks that last. See page 122 for flag lighting info.
