

## LT133 - EURO LOW VOLTAGE DROP TRACK

### PROJECT INFORMATION

Type	:
Project	:
Catalog #	:

### FEATURE(S):

### SPECIFICATION

12V 50W T4/T3 GY6.35

**Application:** Meets the demands of the most trendy and up to date designers. With a collection of glass shapes and textures inspired by a high-end European look. The Euro Glass Collection is a sure fit.

Pendant fixtures are ideal for general and task lighting over bars, counters, and tables, where a downward light is needed. These unique miniature shades blend perfectly into contemporary surroundings to provide that high-tech sophisticated look.

These pendants come hardwired for connection to standard 1-circuit or 2-circuit track. For other mounting options see our InterJack section.

**Connector:** Comes standard with 3-Wire H-Type thermo-plastic track connections. Fixture is factory preset for installation on single-circuit track. Contacts may be easily adjusted to install on two-circuit track via pull-up tab. J-Type and L-Type connections are available with extended lead times - consult factory.

**Shade Glass:** Fixture in Standard Available in Blue and Red. Crystal clear outer glass shade. Inner glass shade in blue, yellow, green or red. Cord in standard white, black or metal.

**Wire Length:** Available in 12", 24", 36", 48", 60" and 72".

**Cable Color:** Available in White, Black and Metallic Cable.

**Labels:** U.L. Listed.
