

Accuride Heavy Duty Over Travel

Weight capacity max./pair: Side mounted: 91 kg (200 lbs.)
Flat mounted: 34 kg (75 lbs.)

- Accommodates drawers up to 1067 mm (42") wide to expand potential applications
- Lever disconnect allows for easier drawer removal and reinsertion
- 1" over travel for full access to drawer contents
- For storage in retail fixtures, restaurants, medical facilities and offices as well as residential kitchens and garages

3634 - Side/Bottom Mounted

- Outer member hole pattern matches models 3832/3834
- The same hole configuration and fastener type are used whether slides are going into a 1/2" or 3/4" side space
- Slides are unhandled, which helps speed and ease of installation
- RoHS compliant

Material: Steel; Finish: zinc-plated
