

**Accuride Heavy Duty Over Travel, Easy Close**

Weight capacity/pair: 68 kg (150 lbs.)

- Accommodates drawers up to 1067 mm (42") wide to expand potential applications
- Easy-close feature brings drawers to a smooth, gentle close
- Lever disconnect allows for easier drawer removal and reinsertion
- 1" over travel for full access to drawer contents
- For storage in retail fixtures, restaurants, medical facilities and offices as well as residential kitchens and garages

8

**3634EC - Side Mounted**

- Outer member hole pattern matches models 3832/3834
- The same hole configuration and fastener type are used whether slides are going into a 1/2" or 3/4" side space
- Slides are unhandled, which helps speed and ease of installation
- RoHS compliant

Material: Steel; Finish: zinc-plated
