# JL3KM2

Job Link® System Manometer Kit

## Specs

Wireless Range	350 feet (107 meters) line of sight, obstructions affect distance
Wireless Frequency	2.4 GHz
Battery	AAA (included)
Battery Life	150 hours typical alkaline
Auto Power Off (APO)	2 hours (can be disabled)
Minimum Device Requirement	BLE 4.0 devices running iOS® 7.0 or Android™ 5.0
Best Accuracy and Range	inWC: ±0.02 on 0.00 to ±2.00 (±1.5% FS on 2.00 to ±60.00); mmWC: ±0.5 on 0.0 to ±51.0 (±1.5% FS on 51.0 to ±1500.0);
Maximum Overload Pressure	305 inWC (11 psi)

## JL3KM2

### Reliable Pressure Regardless of Location

The JL3MN Job Link® System Manometer Probe kit sends static pressure or gas pressure measurements directly to the Fieldpiece Job Link App up to 350 feet (107 meters) away.

Because the manometers work independently you're not tied down by hose length. Place the probes in the exact right locations regardless of system set up. Measure and view real-time return static, supply static, and total external static pressure all at once. Use up to 8 individual manometers at one time in the Job Link App.

### Do More with Less Clutter

- Long range wireless
- All-in-one static, gas, and draft pressure
- Accurate and stable measurements
- Document system health in Job Link App
- Measure between zones without snaking a hose under the door
- Individual pressure readout gives you P1, P2, and pressure differential in real-time
- All accessories for static and gas applications included
- Quick zeroing on tool

### And More

- Rugged
- Accurate
- Versatile
- Strong rotating magnet
- Compact
- Expandable
- No hose management
- Real-time pressure map
- Rugged metal barb tips

### Measure Real-time Pressure Drops

Measure real-time pressure drops between blowers, filters, and coils with multiple probes. See them all at once on your mobile device using the Job Link App.

### RIGHT STUFF

### Find Inlet and Outlet Gas Pressures

Screw the brass adapter directly into the gas regulator taps.

2 x JL3MN

Case

2 x Slide On Gas Adapter

Extra Hose with 2 x Brass Screw Fittings

2 x Static Pressure Probes

## Job Link® System Manometer Kit

### JL3KM2

- Rugged metal tips
- Strong rotating magnet
- Untethered usage
- Great for static pressure

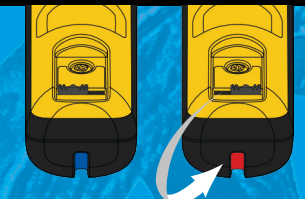

Powerful 350' Range

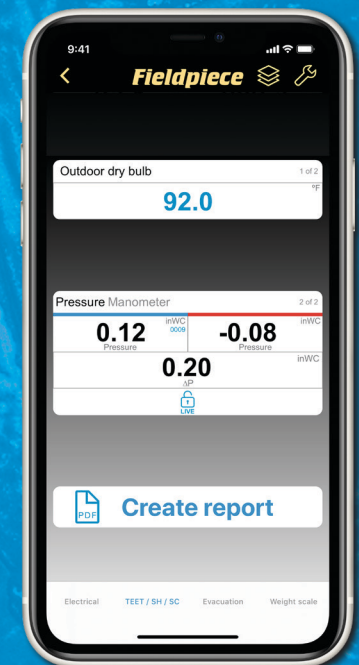

Requires Mobile Device and Free Job Link® System App

### Switchable P1 - P2 Indicator

The indicator switch automatically tells the Job Link® System which side you're testing. Select blue for P1 and red for P2.

## DO MORE

### Job Link® System App

View measurements on your mobile device. Pair with other Job Link tools to get a complete system snapshot. Share PDF report with your office and customer for detailed system reporting.
