

SC76 Expandable Auto-ranger

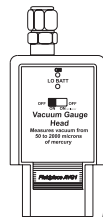

**WORKS WITH
ALL ACCESSORIES!**

ARH4

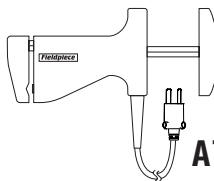

ATH4

AVG1

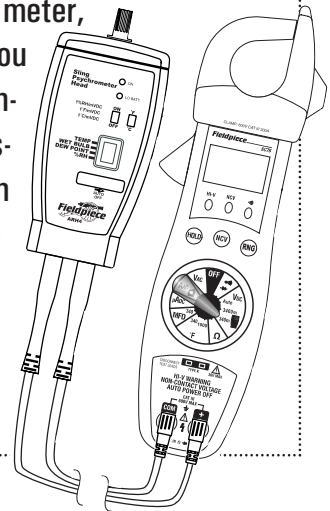

AMN2

ATC3

After listening to customer requests for an expandable clamp meter, we've decided to bring you a meter that not only connects to Fieldpiece accessory heads, but is also an auto-ranger. Just disconnect the probe tips and plug directly to the bottom of your Fieldpiece accessory head.

Added Features

Higher Temperature

Higher Capacitance

Millivolt Range

Microamps

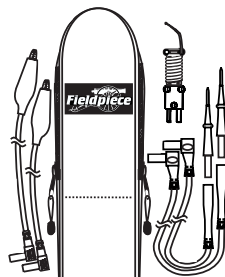

Analog Bar Graph

Deluxe Silicone Leads

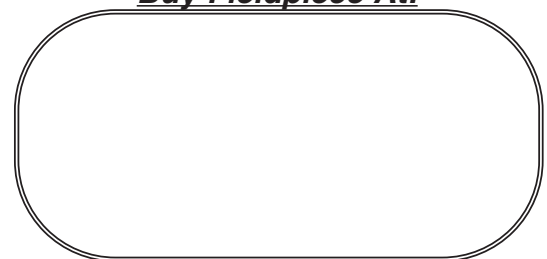

Auto-ranging

SC76 INCLUDES

- SC76 Meter
- Pair of Test Leads
- Pair of Alligator Clips
- K-type Thermocouple
