**GENERAL<sup>®</sup>**

*"It's your job . . .  
General Tools make it easier"*

## **IMPROVED PERFORMANCE: MORE FOR LESS!**

General's **NEWEST** product is the latest addition to our **UltraTech™** tool line . . .

A collection of Glass Magnifiers, featuring a Polished Optical Glass Lens, in a complete range of sizes. Upgrades include our comfortable Versa-Grip™ handle and new blister card packaging. You will be pleased to know we are offering this new line at a lower cost than our previous magnifiers.

With the new **UltraTech™** Glass Magnifiers, General is truly giving you improved performance for less!
