

ACCURATE ARSENIC TESTING

Test strip technology advances make difficult arsenic detection easy

Industrial Test Systems, Inc. features an array of Inorganic Arsenic Quick™ test kits that provide accurate results at affordable prices. Designed using cutting edge chemistry, our easy-to-use test kits report results for Inorganic Arsenic (III&V) from 0.3ppb in 12 minutes without the need for technical training. Performance and accuracy of these kits have been verified by the USEPA through the ETV program (www.epa.gov/etv). We invite you to see why the Quick™ line of Arsenic test kits from ITS are recognized throughout the world as premium Arsenic field test kits. ALL KITS MEET HAZMAT COMPLIANCE STANDARDS FOR SHIPPING

Quick™

Part Number: 481396

This kit can be used for Arsenic Soil determinations.

Detection Range: 0, 5, 10, 20, 30, 40, 50, 60, 80, 100, 150, 200, 250, 300, 400, 500, >500 ppb
Total Test Time: 12 Minutes Tests per Kit: 100

Retail Cost: \$178.49

Quick™ Low Range

Part Number: 481297-I

This kit when compared to icp.ms has a correlation coefficient of 0.997

Detection Range: <2, 4, 10, 15, 20, 25, 30, 40, 50, 60, 70, 80, 100, >150, >300 ppb
Total Test Time: 14 Minutes Tests per Kit: 50

Retail Cost: \$188.99

Quick™ II

Part Number: 481303

Detection Range: <1, 2, 3, 4, 5, 6, 7, 8, 10, 13, 20, 25, 30, 40, >50, >80, >120, >160 ppb
Total Test Time: 14 Minutes Tests per Kit: 50

Retail Cost: \$230.99

Low Range Quick™ II

Part Number: 481301

Detection Range: <0.5, 1, 1.5, 2, 3, 4, 5, 6, 7, 8, 12, >20, >30, >50 ppb
Total Test Time: 14 Minutes Tests per Kit: 50

Retail Cost: \$367.99

Ultra Low Quick™ II

Part Number: 481300

Detection Range: 0, 0.3, 0.7, 1.0, 1.5, 2, 2.5, 3, 3.5, 4, 5, 6, 8, 10, 13, 20, >20 ppb
Total Test Time: 14 Minutes Tests per Kit: 25

Retail Cost: \$314.99

For greater accuracy:

Quick™ Arsenic Scan

Part Number: 481305

0.2 µg/L minimum detection (with kit #481300) with 0.01 - >1.00 µg/L color density. Can be used with all Arsenic kits.

Retail Price: \$1999.99

ACCURATE ARSENIC TESTING MINI-KITS

Industrial Test Systems, Inc. line of Inorganic Arsenic Quick™ test kits in a smaller package for convenient evaluation testing. To expand your product line or for more info, please contact us directly.

Quick™ Mini Kit

Part Number: 481396-5

This kit can be used for Arsenic Soil determinations.

Detection Range: 0, 5, 10, 20, 60, 100, 300, 500, >500, >>500 ppb

Total Test Time: 12 Minutes

Number of Tests per Kit: 5

Retail Cost: \$27.49

Quick™ II Mini Kit

Part Number: 481303-5

Detection Range: <1, 2, 3, 4, 5, 6, 7, 8, 10, 13, 20, 25, 30, 40, >50, >80, >120, >160 ppb

Total Test Time: 14 Minutes

Number of Tests per Kit: 5

Retail Cost: \$47.49

Low Range Quick™ II Mini Kit

Part Number: 481301-5

Detection Range: <0.5, 1, 1.5, 2, 3, 4, 5, 6, 7, 8, 12, >20, >30, >50 ppb

Total Test Time: 14 Minutes

Number of Tests per Kit: 5

Retail Cost: \$57.99

Ultra Low Quick™ II Mini Kit

Part Number: 481300-5

Detection Range: 0, 0.3, 0.7, 1.0, 1.5, 2, 2.5, 3, 3.5, 4, 5, 6, 8, 10, 13, 20, >20 ppb

Total Test Time: 14 Minutes

Number of Tests per Kit: 5

Retail Cost: \$73.49

- Top rated kits, test up to 99% correlation to ICPMS method
- All tests verified through the USEPA / ETV program for technical and non-technical operators

- Arizona Point of Use Compliance Program Manual approved
- Results in 12 - 14 minutes using safe and convenient reagents

In the past, testing for arsenic in drinking water has been as difficult as removing it. Our test kits have appeared on the market deriving from the need for easier, cheaper and faster methods. They rival both the accuracy and low detection ability of expensive laboratory instrumentation.

*Optional Accessories Available include: Thermometer (481196-T) and Stop Watch (481660).

Quick™ Mini Kits are ETV verified. Information on the performance characteristics of Quick™ Mini Kits can be found at www.epa.gov/etv, or call ITS at 1-800-861-9712 for a copy of the ETV verification report. The use of the ETV® Name or Logo does not imply approval or certification of this product nor does it make any explicit or implied warranties or guarantees as to product performance.
