

OXFORD GARDEN® KORAL Coffee Table

KLTAI (shown in Ice White)

FEATURES

- Low profile table integrates well into multiple configurations
- High pressure laminate provides a durable, scratch-resistant, table top surface
- Leg end caps provide protection against marring and scratching of surfaces
- Arrives fully assembled
- Mix and Match with Eiland dining and occasional tables and Nette, Salino Nickel Nauticau, and Sable Resin Wicker collection pieces
- Pair with other Koral modular products

MATERIALS

Powder-coated aluminum frame is durable and lightweight. The rustproof nature of the frame provides commercial-grade quality and strength making it ideally suited for outdoor use. High-pressure laminate (HPL) is renowned for its durability, longevity, and simple care requirements. Resin-impregnated paper is compressed under very high pressure into a strong, scratch-resistant, table top surface. HPL is designed to be resistant to burns, UV rays, stains, and heat.
