

OXFORD GARDEN

SALINO Resin Wicker Loveseat

SLWLSBTE (shown with Truffle)

FEATURES

- Cushions (included) are available in stocking materials and as Made to Order (MTO) in a variety of fabrics
- Quick drying cushion construction with vented bottom to allow for drainage
- Leg endcaps provide protection from marring and scratching of surfaces
- Pair with Salino Resin Wicker pouf or Eiland occasional tables

MATERIALS

Powder coated aluminum is durable and lightweight. The rustproof nature of the frame offers high quality and strength. Nauticau is a PVC material that has been used for years in marine environments for its luxurious look and feel and ability to resist the harshest weather conditions. Nauticau can withstand extreme temperatures, has ultraviolet inhibitors in the pigment system, and is healthcare grade mold and mildew resistant. Resin Wicker is made of a synthetic polyethylene material. Durable and elastic, resin wicker will resist weathering and endure. Solution-dyed polyester fabric is an economical option available on stocking cushions with the look and feel of cotton and the durability of synthetic fibers.

STOCKING CUSHION MATERIALS

TRUFFEL NAUTICAU TF

TOAST SOLUTION-DYED POLYESTER TS

*Cushions are included and available in the stocking materials shown above (shown in Truffle).

Cushions are also available as Made To Order (MTO) with Customer's Own Material (COM) with a minimum of two cushions, or with any Sunbrella® Special Order Fabric (SOF) with no minimum order. Pricing and lead times will vary; please call for more information.

Cushions feature quick-dry construction with vented bottom for drainage. Stocking cushions in Nauticau will be constructed with reticulated foam; stocking cushions in polyester and Made To Order cushions will be constructed with a waterproof bag encasing the foam.
