Frigidaire 20.0 Cu. Ft Upright Freezer

### SIGNATURE FEATURES

### AVAILABLE COLORS

### MORE EASY-TO-USE FEATURES

**Power Outage Assurance**  
Keep food frozen for two days if there is a power outage with our superior tight seal that locks in cold air.

**Flexible Interior Organization System**  
Easily organize your family's frozen favorites with our four adjustable, metallic wire shelves, deep bottom basket, and five spacious door bins that allow you to make the most of every available square inch of your freezer.

**EvenTemp™ Cooling System**  
Our EvenTemp™ cooling system's variable speed compressor constantly circulates cold air throughout the freezer with smart sensing technology that adjusts air flow to maintain a uniform temperature.

**Auto-Close Doors**  
Avoid spoiled food and soupy ice cream with our auto-close doors, which ensure that your freezer is never left slightly open by mistake.

**More Capacity, Same Footprint**  
With this 20 cu. ft. upright freezer, you can have a freezer that fits into the same space as a traditional 17 cu. ft. model, but enjoy more capacity without sacrificing valuable floor space.

**Door Ajar and High Temp Alarm**  
Monitor the ideal environment for your frozen foods with our audible temperature alarm that alerts you if the door is left open or the freezer's temperature rises.

**Frost-Free Design**  
Never waste time chipping away ice in your freezer again with our frost-free design that does the work for you.

**42-Point Quality Check Ensures Strong Performance**

Each freezer has gone through a 42-point quality check to guarantee strong performance for years to come.

**Floor-Projected Power-On Indicator**

Know at a glance that your freezer is keeping your favorites safely frozen and fresh with our power-on indicator light.

**Garage Ready**

Place this unit in your garage without worry. This unit is designed to perform in temperatures ranging from 0°F to 110°F.
