

30" ELECTRIC DOWNDRAFT SLIDE-IN RANGE

JES1750ML

Signature Features

TRUE CONVECTION

Steady heat circulates around every rack by whirling metal blades. Flaunt your cooking prowess with mouthwatering, flaky pastries and irresistible roasts.

GLIDE RACK

The glide rack smoothly and quietly slides in and out, even when fully loaded.

6.2 CU. FT. CAPACITY

A generous 6.2 cu. ft. capacity of the oven cavity lets you cook multiple dishes on multiple racks at once.

DOWNDRAFT VENTILATION

Developed and refined by JennAir brand, this downdraft ventilation system helps capture smoke, steam and odors at the cooking surface, drawing them down and out of the kitchen.

RISE™ DESIGN EXPRESSION

Forged for an era of striking proportions, robust lines of the RISE™ Design Expression draw the eye to its traditional yet unconventional design. Indulge in the details — a custom, diamond-knurled handle, brass-inspired bezels and a bold badge.

EMOTIVE CONTROLS

Striking and inviting controls with LED lighting unleash performance at your touch.

DIE-CAST METAL KNOBS

Robust, die-cast metal knobs offer precise control and coordinate with the range's design.

12"/6" DUAL-CHOICE™ ELEMENT

This two-tiered single element accommodates cookware of various sizes in one location and can achieve an output of up to 3,000 watts when both elements are active.

AIR FRY

Achieve crispy results on your favorites, from fresh vegetables to guilty-pleasure fried foods. Preheat the oven, then use Air Fry to circulate hot air around the air fry basket to crisp food using little to no additional oil.

Dimensions

Depth: 28-5/8 in

Height: 36.0 in

Width: 29-7/8 in
