

Fresh Living Tip

Are you extremely limited on space, but still want a high-production ice maker? Our ultra-compact crescent ice maker model is just the match for you. Despite its size, it makes up to 23 pounds of ice daily! It can fit easily under a counter or on a tabletop, and is designed to be built in, too.

FINISH OPTIONS

14" Marvel Low Profile Compact Crescent Ice Machine

MACR214

Storage Adaptability

- Stores 12 lbs of crescent ice
- Removable ice bin for convenient access and easier cleaning
- No pump or drain required

Performance

- Produces up to 23 lbs of crescent ice per day
- Minimizes water usage, only 3 gallons average daily rate
- Daily ice production rate nearly 4x greater than standard household ice maker
- Crescent ice cube dimensions: 1/2" W x 3/4" H x 2 1/4" L

Convenient Controls

- On/Off switch within quick reach at the front of the unit

Fit & Finish

- Compact, low profile height allows for countertop and universal installation applications
- Easy to clean arctic white interior
- Reversible door allows for right or left swing for adaptable installation
- Black toe kick and four leveling legs

Warranty

- 1-year parts and labor warranty and 5-year sealed system parts warranty
