

Model: NE58K9560WS | NE58R9560WG | 5.8 cu. ft. Slide-In Induction Range with Virtual Flame™ (available in *Stainless Steel, Fingerprint Resistant Black Stainless Steel*)

UPC Code: 887276132273, 887276317878

REFERENCE GUIDE

Benefit:

- Virtual Flame™ gives you the visual of gas cooking with the precision of induction cooking.
- Sleek Slide-In design blends seamlessly with your kitchen for a modern and built in look.
- Remotely monitor your cooktop and control your oven with Wi-Fi capability.

Reason to Believe:

- LED lights shine onto pots and pans providing visual cues that the cooktop is on.
- Slide-In design creates a high-end look without having to remodel.
- Cook from anywhere: Use your smart phone to remotely monitor for safety, turn the oven on* or off and adjust the time and temperature.

*As a safety precaution, remote start function only available on the Electric Range

Long Description:

Induction cooking is more efficient than electric or gas cooking as it focuses heat directly on the pot so that you can boil faster and simmer with more control. Innovative Virtual Flame™ technology provides a superior cooking experience by combining the visual of gas cooking with the precision of induction cooking. Upgrade any kitchen with a Slide-In Design that blends seamlessly into your cabinetry to give your kitchen a high end look. Preheat, adjust, or turn off your oven from anywhere with Wi-Fi connectivity.
