DESIGNED FOR YOUR DREAM KITCHEN

The Sharp SJG2351FS 22.5 cu. ft. French Four-Door Counter-Depth Refrigerator is a contemporary and stylish addition to your dream kitchen. This counter-depth refrigerator offers practical features, including Chill-Boost and Freezer-Boost to adjust the internal temperatures of the refrigerator and drawers quickly. Inside the refrigerator, three premium, white LED lights give you a clear view throughout the refrigerator, plus there are additional white LED lights in the freezer drawers. The control panel for the refrigerator is easy-to-read and easy-to-use.

The SJG2351FS features a Slide-In shelf that gives you more ways to organize your refrigerator and create more space for larger items like pitchers and bottles. The double humidity-controlled crisper drawers provide room to store various fruits and vegetables in their ideal environment, while the humidity adjustments help keep food fresher longer. The six, spacious, Gallon Door Bins give you the room you need to store your most reached-for items. The full-width refrigerated Pantry Drawer is a quick way for everyone in the family to help themselves.

Gliding smoothly, and extending fully, you always have easy access to the family-size, 6.6 cu. ft. freezer. This spacious refrigerator features an upper-level Freezer-Drawer for quick access to frequently used items. The Lower Freezer Drawer glides open for easy access to frozen foods and ice from the In-Freezer, automatic ice maker.

The adjustable Slide-In shelf gives you more space to store larger items such as pitchers and bottles.

Resist smudges and fingerprints with a surface that easily wipes clean.

The In-Freezer automatic ice maker produces up-to 3 lbs. of ice daily.

Features Double Humidity-Controlled Crisper Drawers with Fruit and Vegetable modes.
