

## Unbranded Model: UVL5430JSS

30" Custom Hood Liner

Color  Stainless Steel

### Product Description

Great meals shouldn't take your breath away until they're being served. This convertible (recirculation or vented) hood liner has multiple dishwasher-safe grease filters and optional recirculation kit/charcoal filters for heightened air quality. The 3-speed push-button controls make adjusting the airflow a breeze, while halogen lights illuminate your cooktop.
